LET'S PLAY BASEBALL*

#1

As everyone knows, this isn't a private high school baseball team.
We enter small tournaments, and we enjoy this as a hobby.
However!

We play properly baseball.
When we put on our gloves and grip our bats, we are not high schoolers, or club members, but become baseball players.

T/N: Sigu also means Commence. Sort of.

T/N: Two-seam, four-seam are types of fastballs pitchers throw.

We are not club members, but we bet everything on his small ball.
